

Math ISAT: Number Sense

Vocabulary and Signs & Symbols

Students:	Vocabulary RIT Above 271: • <i>None</i>	Signs & Symbols RIT Above 271: • <i>None</i>
Students:	Vocabulary RIT 261-270: • Non-repeating decimal • Rational number • Repeating • Repeating decimal	Signs & Symbols RIT 261-270: • Square root symbol
Students:	Vocabulary RIT 251-260: • <i>None</i>	Signs & Symbols RIT 251-260: • () Parenthesis around an integer
Students:	Vocabulary RIT 241-250: • Least Common Multiple	Signs & Symbols RIT 241-250: • LCM Lowest Common Multiple
Students:	Vocabulary RIT 231-240: • Cubed • Miles per second • Prime factor • Prime factorization • Scientific notation • Square region • Tenth power	Signs & Symbols RIT 231-240: • Absolute value • ft Feet • : Ratio
Students:	Vocabulary RIT 221-230: • Absolute value • Common denominator • Expanded notation • Exponent • Least common denominator • Lowest common denominator • Real number • Ten million • Ten thousandth • Thousandths	Signs & Symbols RIT 221-230: • lb Pound • • Multiplication symbol • # Number • ° °C • ° °F
Students:	Vocabulary RIT 211-220: • Common factor • Decimal • Decimal form • Decimal point • Expression • Factor tree • Greatest common factor • Lowest terms • Negative • Positive • Region • Standard form	Signs & Symbols RIT 211-220: • - • ÷ Division • ≠ Not equal to • % Percent • + Positive number
Students:	Vocabulary RIT 201-210: • Biggest • Common multiple • Divisible • Expanded numeral • Hundred thousands • Hundredth • Integer • Larger • Mixed number • Mixed numeral • Multiple • Place value • Ten thousands • Twice	Signs & Symbols RIT 201-210: • - Negative number
Students:	Vocabulary RIT 191-200: • Billion • Composite number • Hundred million • Prime number • Proportion • Quintillion • Standard numeral • Symbol • Trillion	Signs & Symbols RIT 191-200: • () Order of operations • > Greater than • ≥ Greater than or equal to • < Less than • ≤ Less than or equal to

Math ISAT: Number Sense

Vocabulary and Signs & Symbols

Students:

Vocabulary RIT 181-190:

- Closest
- Coins
- Digit
- Dozen
- Even number
- Factor
- Fourth
- Fourths
- Fraction
- Hundred thousand
- Hundreds
- Million
- Nearest
- Nickel
- Numeric form
- Odd number
- One
- Round
- Set
- Smallest
- Ten
- Ten thousand
- Third
- Thirds
- Thousandth
- Value

Signs & Symbols RIT 181-190:

- { } Set notation
- = Is equal to
- × Multiplication
- – Subtraction

Students:

Vocabulary RIT 171-180:

- Before
- Between
- Compare
- Count
- Dime
- Dollar sign
- Eighth
- Eleventh
- Fifth
- First
- Greater
- Greater than
- Hundred
- Largest
- Less than
- Ninth
- Ones
- Penny
- Seventh
- Tens
- Tenth
- Thousand

Signs & Symbols RIT 161-170:

- ¢ Cent sign
- \$ Dollar sign

Students:

Vocabulary RIT 161-170:

- Counting order
- Numeral

Signs & Symbols RIT 161-170:

- + Addition
- Variable

Students:

Vocabulary RIT Below 161:

- *None*

Signs & Symbols RIT Below 161:

- *None*
