**Students:**

**RIT 221-230:**

- Uses predictions to make, confirm, and revise ideas in literary text
- Makes inferences to recognize future events in literary text
- Uses irony, suspense, and foreshadowing to make inferences in literary text
- Makes inferences about the qualities and motives of characters and the consequences of their actions
- Makes inferences to identify conflict/resolution in literary text
- Makes inferences in literary text using supporting details
- Draws conclusions supported by content in informational text
- Makes inferences supported by the content in informational text
- Makes, confirms, and revises predictions in informational text using supporting details

**Students:**

**RIT 211-220:**

- Predicts, confirms, and revises ideas within literary text
- Makes inferences related to events in literary text
- Makes inferences about setting in literary text
- Assesses future events in literary text using inference
- Makes inferences in literary text to identify feelings and perspectives of characters
- Infers in literary text to identify tone/mood
- Infers to identify problem/resolution in literary text
- Infers to interpret figurative language in literary text
- Makes inferences to identify symbolism in literary text
- Makes inferences to identify irony, suspense, and foreshadowing in literary text
- Makes inferences about characters based on appearances of characters in literary text
- Makes inferences about characters and their motives based on the characters' actions in literary text
- Draws conclusions from content in informational text
- Makes inferences based on content in informational text
- Makes, confirms, and revises predictions in informational text using supporting details

**Students:**

**RIT 201-210:**

- Predicts, confirms, and revises ideas within literary text
- Makes inferences about characters based on the characters' responses to other characters in the literary work
- Makes inferences related to events in literary text
- Makes inferences about setting in literary text
- Assesses future events in literary text using inference
- Makes inferences in literary text to identify feelings and perspectives of characters
- Makes inferences in literary text to identify setting
- Infers in literary text to identify tone/mood
- Infers to interpret figurative language in literary text
- Makes inferences to identify symbolism in literary text
- Makes inferences about characters based on appearances of characters in literary text
- Makes inferences about characters supported by their responses to other characters in literary text
- Makes inferences about characters and their motives based on the characters' actions in literary text
- Draws conclusions from content in informational text
- Makes inferences based on content in informational text

**Students:**

**RIT 191-200:**

- Makes, confirms, and revises predictions in literary text using content (e.g., titles, topic sentences, key words)
- Makes inferences about characters based on characters' actions in the literary work
- Makes inferences about the emotions and perspectives of characters in literary text
- Makes inferences about characters based on the characters' responses to other characters in the literary work

# Reading ISAT: Interpretive Comprehension

## Skills: Make Inferences, Predictions, and Draw Conclusions

- Identifies future events in literary text using inference
- Makes inferences in literary text to identify physical qualities of characters
- Makes inferences to identify setting in literary passages
- Makes inferences in literary text to identify tone/mood
- Makes inferences to identify problem/resolution in literary text
- Makes inferences about events in literary text
- Draws conclusions based on information in informational text
- Makes inferences based on information in informational text
- Makes, confirms, and revises predictions in informational texts using content (e.g., titles, topic sentences, key words)
- Makes, confirms, and revises predictions using supporting details in informational text

**Students:**

### **RIT 181-190:**

- Makes, confirms, and revises predictions in literary text using content (e.g., titles, topic sentences, key words)
- Makes inferences in literary text to identify future events
- Makes inferences in literary text to identify the feelings and perspectives of characters
- Makes inferences about characters based on characters' actions in the literary work
- Makes inferences about the emotions and perspectives of characters in literary text
- Identifies future events in literary text using inference
- Makes inferences in literary text to identify physical qualities of characters
- Makes inferences to identify setting in literary passages
- Makes inferences in literary text from titles to determine the content
- Makes inferences in literary text to identify tone/mood
- Makes inferences to identify problem/resolution in literary text
- Makes inferences about events in literary text
- Draws conclusions based on information in informational text
- Makes inferences based on information in informational text
- Makes, confirms, and revises predictions in informational texts using content (e.g., titles, topic sentences, key words)

**Students:**

### **RIT 171-180:**

- Makes predictions in literary text using content (e.g., picture clues, titles)
- Makes inferences from titles to determine the content of literary text
- Makes inferences in literary text about events
- Makes inferences in literary text to identify future events
- Makes inferences to identify qualities of characters in literary text
- Makes inferences in literary text to identify the feelings and perspectives of characters
- Makes inferences to identify setting in literary text (e.g., season, weather, everyday places)
- Makes inferences to identify titles in literary text
- Makes inferences to identify problem and/or resolution in literary text
- Draws conclusions using informational text
- Makes inferences using informational text
- Makes predictions in informational text using content (e.g., picture clues, book titles)

**Students:**

### **RIT 161-170:**

- Makes predictions in literary text using content (e.g., picture clues, titles)
- Makes inferences from titles to determine the content of literary text
- Makes inferences in literary text about events
- Makes inferences in literary text to identify future events
- Makes inferences to identify qualities of characters in literary text
- Makes inferences in literary text to identify the feelings and perspectives of characters
- Makes inferences to identify setting in literary text (e.g., season, weather, everyday places)
- Makes inferences to identify titles in literary text
- Makes inferences to identify tone/mood in literary text
- Makes inferences to identify problem and/or resolution in literary text
- Draws conclusions using informational text
- Makes inferences using informational text
- Makes predictions in informational text using content (e.g., picture clues, book titles)

**Students:**

### **RIT Below 161:**

- Makes predictions in literary text using content (e.g., picture clues, titles)
- Makes inferences from titles to determine the content of literary text
- Makes inferences to identify titles in literary text
