

MAP for Primary Grades Instructional Data: Mathematics Problem Solving

Skills: Understand and Represent Word Problems - Understand

Students:	Primary Grades Instructional Data Skills: (Highlight the skills related to your chosen standard/concept)
	RIT 201-210: 207 Analyzes a multiplication story problem to select extraneous information (1-digit factors) 204 Analyzes a comparison story problem to select that not enough information given (1- and 2-digit numbers)
	RIT 191-200: 193 Analyzes a division story problem to select relevant information that is missing (2-digit dividend) 192 Analyzes a 2-operation story problem to select relevant information that is missing (1-and 2-digit factors, unknown minuend; factors ≤ 100)
	RIT 181-190: 186 Analyzes a multiplication story problem to select relevant information that is missing (1-digit factor) 182 Analyzes a division story problem to select relevant information that is missing (1-digit quotient) 182 Analyzes an addition story problem to select extraneous information;(1- and 2-digit addends; sum ≤ 100) 181 Analyzes a subtraction story problem to select relevant information that is missing (2-digit minuend; minuend ≤ 20)
